Dear Steven,

Thank you so much for your support in 2014! In 2014, Siesta Sleepworks generously donated a total of 470 items including:

• 255 Mattresses	• 205 Box springs	• 7 Bed Frames
• 2 Bookcases, Cabinets	• 1 Couch, Sofa Bed, Futon	

One of our referring agency case managers who works with single mothers shared her gratitude:

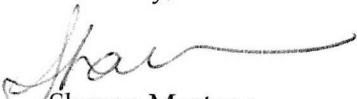

*"The work you do changes lives, you assist people who have very little to set up a home. Every family needs a home. Thanks again for helping."*

On behalf of our clients and referring agencies, we want to extend a big thank you for the donation. Household Goods is a 501(c)(3) charitable organization that distributes gently used household goods free of charge to individuals and families in need. The items donated will go to veterans, people who are coming out of homeless shelters, women fleeing domestic violence, refugees and victims of fire among others.

Again, thank you for the donation and we look forward to our continued partnership!

Sincerely,

Sharon Martens  
Executive Director
